

Dennis Supply Company to Donate \$10 to Wounded Warriors Project With Every Venstar ColorTouch Thermostat Sold in July

CHATSWORTH, Calif., June 18, 2014 —[Venstar](#) HVAC Distributor Dennis Supply Company of Sioux City, Iowa, will donate \$10 to the Wounded Warrior Project for every Venstar [ColorTouch®](#) thermostat sold during the month of July. The Wounded Warrior Project (www.woundedwarriorproject.org) is a nonprofit organization that raises awareness and enlists the public's aid for the needs of injured service members, helps injured service members aid and assist each other, and provides unique, direct programs and services to meet the needs of injured service members.

“The ColorTouch Wounded Warrior Project promotion is our way of giving back to those service members who make sacrifices that preserve our freedom in the United States,” said Scott Stewart, sales manager for Dennis Supply Company. “It is a pleasure to help our customers have the latest in thermostat technology while making a difference for those who serve our country. “

During the months of June, July and August, Dennis Supply Company will also offer a free Skyport™ Wi-Fi Key with any Venstar ColorTouch thermostat (model numbers T5800, T5900, T6800, T6900) purchase, a \$70 value. The Skyport Wi-Fi Key connects to [Venstar's Skyport Cloud Services](#), which, when used with Venstar's new mobile application, allows users to remotely monitor and control their residential and commercial ColorTouch thermostats. The mobile app is compatible with Apple iPhone®, iPod® (referred to as iPod touch®), iPad®, BlackBerry®, Android™, Mac® and PC devices.

About the Venstar ColorTouch Thermostat With Skyport Wi-Fi Key

[ColorTouch](#) is the multi-functional, simple-to-use, richly featured, programmable touch screen thermostat that thinks it's a digital picture frame. ColorTouch has customizable backgrounds, including the users' own photos, and more than a dozen preset themes, including holiday themes. Compatible with virtually every type of heating and air conditioning system, ColorTouch can be configured to display one of three languages: English, French or Spanish. With the optional Skyport Wi-Fi Key, ColorTouch can be remotely accessed, monitored and

controlled using a free mobile app that is compatible with Apple iPhone, iTouch, iPad, BlackBerry, Android, Mac and PC devices.
