

## **Venstar's ColorTouch Commercial Thermostat to Be Featured at AHR Expo in Mexico City**

MEXICO CITY, Mexico, Sept. 23, 2014 — [Venstar®](#), a leading thermostat and energy management systems supplier, today announced that its [ColorTouch® Commercial](#) touch screen thermostat will be featured at the upcoming AHR Expo, which take place Sept. 23-25, 2014, in Mexico City, Mexico.

“Venstar’s goal is to help businesses in Mexico save money on energy costs while helping protect the environment. With Venstar’s commercial ColorTouch digital touch screen thermostat, which can be programmed remotely via a free mobile app, users can dramatically reduce their energy usage and costs by taking advantage of the wide variety of programming options for heating and cooling,” said Steve Dushane, president and CEO of Venstar Inc.

Venstar’s Mexico distributors are Cool & Parts ([www.CoolPartsMexico.com](http://www.CoolPartsMexico.com)) of Monterey, REACSA ([www.reacsa.com.mx](http://www.reacsa.com.mx)) of Jalisco and Truca Cargo ([www.trucacargo.com](http://www.trucacargo.com)) of Mexico City. Through these distributors, Venstar products and services are available throughout Mexico, including Baja California, Guadalajara, Los Cabos, Manzanillo, Monterey, Puerto Vallarta, Veracruz and Mexico City.

### **ColorTouch Commercial Thermostat (Models T6800 and T6900)**

The award-winning ColorTouch programmable commercial thermostat is a multi-functional, simple-to-use, touch screen thermostat designed for commercial installations. Its color touch screen can be programmed to display company logos, advertisements or promotions as well as a picture gallery of up to 100 files to be used as a slideshow.

Compatible with virtually every type of commercial heating and air conditioning system, ColorTouch is compatible with [Venstar’s Skyport™ Cloud services](#), which allows commercial users to use Venstar’s free mobile app on their Android™, BlackBerry® and Apple® iOS mobile devices or directly from the Web to instantly access and control up to 100 commercial locations and much more.

ColorTouch also helps businesses go green by providing a wide variety of programming options that help improve energy efficiency while keeping the business environment comfortable. ColorTouch Commercial is priced at approximately half the cost of competitive touch screen thermostats. Compatible

with virtually every type of heating and air conditioning system, ColorTouch can be configured to display one of three languages: English, French or Spanish.
